SUBJECT: **CARE SERVICES PROGRAM PART B, FY 2007-2008**

This will advise you that the County of Los Angeles Office of AIDS Programs and Policy (OAPP) has received notification from the State of California Office of AIDS regarding the FY 2007 formula funding for HIV/AIDS services awarded to the County from Part B of the newly authorized Ryan White HIV/AIDS Treatment Modernization Act (formally known as Title II under the previous law, Ryan White Comprehensive AIDS Resources Emergency Act). The funded period is from April 1, 2007 through March 31, 2008.

The formula allocation for Los Angeles County for FY 2007 will be \$3,738,993, an increase of \$189,447 from FY 2006. The Los Angeles County Commission on HIV (COH) has the responsibility for allocating Part B funds among service categories. OAPP will share this Part B award information with the COH Executive Committee, and will subsequently work together to make recommendations on service category allocations. OAPP is in the process of submitting notification of this award to the Board of Supervisors for review and approval.

If you have any questions or need additional information, please call me at (213) 351-8001.
